

Injury Assessment Report

Date: 2025-06-25 19:24:20

Injury Type: Burn

Precautions:

- Cool the burn with cool (not cold) running water for 10-15 minutes
- Do not apply ice directly to the burn
- Do not break blisters if present
- Cover with a sterile, non-stick bandage
- Avoid using butter, oil, or ointments on severe burns
- Seek medical attention for second or third-degree burns

Recommended Medications:

- Aloe vera gel for cooling and healing
- Pain relievers (Acetaminophen, Ibuprofen)
- Antibiotic ointment for minor burns
- Hydrocortisone cream for itching
- Silver sulfadiazine cream (prescription only)
- Burn-specific dressings (consult healthcare provider)
